Online Coding with Scratch Jr

**OFFLINE CODING**

**Island Treasure Hunt**

In this workshop, students will create a treasure map for their partner to follow using grid paper. Students will use written directions for their partner to follow step by step directions to find the treasure!

**ONLINE CODING**

**So You Think You Can Dance**

In this workshop, students will explore block coding by using Scratch Jr. Students will be challenged to code two different sprite characters to create an original dance. Students will be introduced to loops during this lesson.

**BOOK YOUR WORKSHOP TODAY!**

All materials provided and shipped at no cost to schools.
